The Oak Park Public Library offers circulating materials that serve, welcome, and reflect transgender people.

"Transgender" is an umbrella term that applies to people whose gender identity does not conform to what society has commonly associated with their birth sex.

The Transgender Resource Collection also serves anyone seeking information about gender identity and gender expression issues, including employers, medical providers, allies, friends, and family members.

This unique public library collection consists mainly of nonfiction materials but also includes popular and lesser known fiction titles as well as films.

**To find all titles in this collection search our Library Catalog using "Transgender Resource Collection" as a keyword search.**

This collection was purchased with the help of a LSTA grant. Funding for this grant was awarded by the Illinois State Library (ISL), a Division of the Office of Secretary of State, using funds provided by the Institute of Museum and Library Services (IMLS), under the federal Library Services and Technology Act (LSTA).
