

MORE ABOUT READING OLYMPICS

Reading Olympics is a literature enrichment program sponsored by local public school districts 90 and 97, Oak Park Public Library, and River Forest Public Library, as well as several private schools.

At the beginning of the school year, all 5th grade students are invited to participate in the Reading Olympics program. Students read the books on a list and compete with each other, answering questions about the books. The students answer with the name of the book and the name of its author.

School teams are formed (three students each) and the schools meet two times a year for competition. The two competitions cover nine books apiece.

The team with the best score has the name of the school and their names engraved on a plaque that can be found at Oak Park Public Library.
